

# Moreton Island 3-Day 2-Night Safari

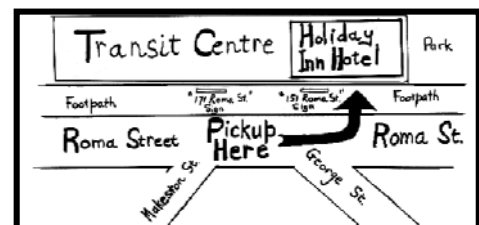

**Activities:** Soon after pickup at 7:15 am on **Day 1** you board the luxury vessel *MICat* which will take you across the beautiful Moreton Bay Marine Park to the western beach of Moreton Island in just over an hour. After settling into your comfortable tents and having a BBQ lunch you take a 4WD tour through to Mt Tempest- the world's highest coastal sand dune which stands at 280 metres. When we climb Mt Tempest we pass through 3 distinct ecosystems then arrive at sensational views of the entire Moreton Bay region. You arrive back to camp in time for sunset on the beach and dinner around the campfire. On **Day 2** you enjoy a relaxing morning on the beach or playing volleyball, then after lunch you gear up and go by boat to The Wrecks where to snorkel amongst tropical fish. We then drive in a 4WD to The Desert to sand toboggan at 65 km/hr down some of the worlds biggest dunes. You can wash off the sand with a swim at Ben Ewa beach before dinner around the campfire. After **Day 3** breakfast we drive to the eastern side of the island to visit the Cape Moreton lookout and probably see dolphins, turtles or manta rays. Then it's time for a body surf at beautiful North Point before a picnic lunch overlooking Honeymoon Bay. To wash off the salt the perfect solution comes in freshwater Blue Lagoon. After a huge day we depart Moreton Island at 4:30pm to enjoy a final sunset on board and arrive back in Brisbane at about 6:30pm.

**Price:** Includes full adventure programme, adventure equipment, 7 meals, camping accommodation, return boat journey, all transfers and transport on island, National Park fees, guided snorkeling tour of The Wrecks, masks, fins, snorkel, wetsuit & adventure equipment.
